

# A Whole New World – Alan Menken and Tim Rice

**AK sings Aladdin**

**Aladdin:** I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?

**Princess Jasmine:** I can open your eyes  
Take you wonder by wonder  
Over, sideways and under On  
a magic carpet ride

**Aladdin:** A whole new world  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming

**Princess Jasmine:** A whole new world  
A dazzling place I never knew  
But when I'm way up here, it's crystal clear  
That now I'm in a whole new world with you

**Aladdin:** (Now I'm in a whole new world with you)

**Princess Jasmine:** Unbelievable sights  
Indescribable feelings  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

**Princess Jasmine:** A whole new world

**Aladdin:** (Don't you dare close your eyes)

**Princess Jasmine:** A hundred thousand things to see

**Aladdin:** (Hold your breath, it gets better)

**Princess Jasmine:** I'm like a shooting star, I've come so far  
I can't go back to where I used to be

**Aladdin:** A whole new world

**Princess Jasmine:** Every turn a surprise

**Aladdin:** With new horizons to pursue

**Princess Jasmine:** Every moment red letter

**Both:** I'll chase them anywhere, there's time to spare Let  
me share this whole new world with you

**Aladdin:** A whole new world

**Princess Jasmine:** A whole new world

**Aladdin:** That's where we'll be

**Princess Jasmine:** That's where we'll be

**Aladdin:** A thrilling chase

**Princess Jasmine:** A wondrous place **Both:**

For you and me

## **Believe – Glen Ballard and Alan Silvestri**

Children sleeping, snow is softly falling, dreams are calling, like bells in the distance  
There were dreamers, not so long ago, but one by one, they all had to grow up

When it seems the magic slipped away, we find it all again on Christmas day

Believe in what your heart is saying, hear the melody that's playing, there's no time to waste, there's so much to celebrate  
Believe in what you feel inside, and give your dreams the wings to fly, you have everything you need, if you just believe

Trains move quickly, to their journey's end, destinations, are where we begin again  
Ships go sailing, far across the sea, trusting starlight, to get where they need to be

When it seems that we have lost our way, we find ourselves again on Christmas day

Believe in what your heart is saying, hear the melody that's playing, there's no time to waste, there's so much to celebrate  
Believe in what you feel inside, and give your dreams the wings to fly, you have everything you need, if you just believe

If you just believe, if you just believe, if you just believe

Just believe, just believe

## Chim Chim Cher-ee – Richard and Robert Sherman

Chim chiminey, chim chiminey, chim chim cher-ee  
A sweep is as lucky as lucky can be  
Chim chiminey, chim chiminey, chim chim cher-oo  
Good luck will rub off when i shakes 'ands with you  
Or blow me a kiss, and that's lucky too

Now as the ladder of life 'as been strung, you may think a sweep's on the bottommost rung  
Though I spends me time in the ashes and smoke, in this 'ole wide world, there's no 'appier bloke

Chim chiminey, chim chiminey, chim chim cher-ee  
A sweep is as lucky as lucky can be  
Chim chiminey, chim chiminey, chim chim cher-oo  
Good luck will rub off when i shakes 'ands with you  
Or blow me a kiss, and that's lucky too

I choose me bristles with pride yes, I do. a broom for the shaft and a brush for the flume  
Though I'm covered in soot from me 'ead to me toes, a sweep knows he's welcome wherever he goes.

Up where the smoke is all billered and curled, 'tween pavement and stars is the chimney sweep  
world When there's 'ardly no day, nor 'ardly no night, there's things 'alf in shadow ,and 'alf way in  
light On the roof tops of London, coo, what a sight.

Chim chiminey, chim chiminey, chim chim cher-ee  
When you're with a sweep, you're in glad company  
No where is there a more 'appier crew  
Than them wot sings chim chim cher-ee, chim cher-oo  
Chim chiminey chim chim, cher-ee, chim cher-oo

## Talk to the Animals

*(Not us) If we could talk to the animals, just imagine it, chatting to a chimp in chimpanzee  
Imagine talking to a tiger, chatting to a cheetah; what a neat achievement that would be.*

(Us) If we could talk to the animals, learn their languages, maybe take an animal degree. We'd study elephant and eagle, buffalo and beagle, alligator, guinea pig, and flea.

We would converse in polar bear and python, and we could curse in fluent kangaroo,  
If people asked us, can you speak in rhinoceros, we'd say, "Of courseros, can't you?"

If we conferred with our furry friend, man to animal, think of all the things we could discuss  
If we could walk with the animals talk with the animals grunt and squeak and squawk with the animals  
And they could talk to us.

*(not us) If we consulted with quadrapeds, think of all the fun we'd have, asking over crocodiles for tea.  
Or maybe lunch with two or three lions, walruses or sealions, what a lovely place the world would be.*

(Us) We'd learn to speak in antelope and turtle, our Pekinese would be extremely good,  
If you were asked to sing in hippopotamus, we'd say 'Why notamus!' and would!!!

And I am sure every octopus, lobster and platypus, certainly would see it as a plus  
If we could walk with the animals, talk with the animals, grunt and squeak and squawk with the animals  
And they could talk to us

We'd study every living creatures language, So we could speak to all of them on sight,  
If you said 'Can you talk in Blue Billed Pelican' I'd say 'I'm sure I can!!' and I'd be right!!

If we spoke like the animals, who needs English, Gradually we'd drop it with no fuss  
If we could walk with the animals, talk with the animals, grunt and squeak and squawk with the animals,  
And they could squeak and squawk and speak and talk to us.

## Circle of Life – Elton John

From the day we arrive on the planet and blinking, step into the sun  
There's more to be seen than can ever be seen, more to do than can ever be done  
Some say eat or be eaten, some say live and let live  
But all are agreed as they join the stampede, you should never take more than you give

In the circle of life  
It's the wheel of fortune, it's the leap of faith, it's the band of hope  
Till we find our place on the path unwinding  
In the circle, the circle of life

Some of us fall by the wayside and some of us soar to the stars  
And some of us sail through our troubles and some have to live with the scars  
There's far too much to take in here more to find than can ever be found  
But the sun rolling high through the sapphire sky keeps great and small on the endless round

In the circle of life  
It's the wheel of fortune it's the leap of faith it's the band of hope  
Till we find our place on the path unwinding  
In the circle, the circle of life

It's the wheel of fortune it's the leap of faith, it's the band of hope  
Till we find our place on the path unwinding  
In the circle, the circle of life On  
the path unwinding  
In the circle, the circle of life

## Down To Earth – Peter Gabriel

Did you think that your feet had been bound by what gravity brings to the ground?  
Did you feel you were tricked by the future you picked? Well, come on down  
All these rules don't apply when you're high in the sky, so come on down, come on down

We're coming down to the ground, there's no better place to go  
We've got snow up on the mountains, we've got rivers down below  
We're coming down to the ground to hear the birds sing in the trees  
And the land will be looked after, we send the seeds out in the breeze

Did you think you'd escaped from routine by changing the script and the scene?  
Despite all you made of it, you're always afraid of the change  
You've got a lot on your chest - well, you can come as my guest - so come on down, come on down

We're coming down to the ground there's no better place to go  
We've got snow up on the mountains, we've got rivers down below  
We're coming down to the ground we'll hear the birds sing in the trees  
And the land will be looked after, we send the seeds out in the breeze

Like the fish in the ocean we felt at home in the sea  
We learned to live off the good land, we learned to climb up a tree  
Then we got up on two legs, but we wanted to fly  
Oh, when we messed up our homeland and set sail for the sky

We're coming down to the ground there's no better place to go  
We've got snow up on the mountains, we've got rivers down below  
We're coming down to the ground we'll hear the birds sing in the trees  
And the land will be looked after, we send the seeds out in the breeze

Oooo, oooo's

We're coming down to the ground there's no better place to go  
We've got snow up on the mountains, we've got rivers down below  
We're coming down to the ground we'll hear the birds sing in the trees  
And the land will be looked after, we send the seeds out in the breeze

We're coming down to the ground there's no better place to go (*Down to Earth, we'll go down to Earth*)  
We've got snow upon the mountains, we've got rivers down below (*Down to Earth, we're going down to Earth*)  
We're coming down to the ground we'll hear the birds sing in the trees (*Down to Earth, we'll go down to Earth*)  
And the land will be looked after, we send the seeds out in the breeze (*Down to Earth, we'll go down to Earth*)

Down to Earth, we'll go down to Earth  
Down to Earth, we're going down to Earth  
Comin' down, comin' down, comin' down, comin' down  
Comin' down, comin' down, comin' down, comin' down

## **Eye of the Tiger – Survivor**

Risin' up, back on the street, did my time, took my chances  
Went the distance, now i'm back on my feet, just a man and his will to survive  
So many times, it happens too fast, you trade your passion for glory  
Don't lose your grip on the dreams of the past, you must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat, hangin' tough, stayin' hungry  
They stack the odds 'till we take to the street, for the kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

Risin' up, straight to the top, had the guts, got the glory  
Went the distance, now i'm not gonna stop, just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger

The eye of the tiger, the eye of the tiger  
The eye of the tiger, the eye of the tiger

## **Moon River – Mercer and Mancini**

Moon River, wider than a mile: I'm crossing you in style some day.  
Old dream maker, you heart breaker, wherever you're goin', I'm goin' your way.

Two drifters, off to see the world. There's such a lot of world to see. We're  
after the same rainbow's end. Waitin' round the bend,

My Huckleberry friend, Moon River and me. (Repeat from the beginning)

## Swinging on a Star – Heusen and Gilpin

Would you like to swing on a star, carry moonbeams home in a jar  
And be better off than you are, or would you rather be a mule  
A mule is an animal with long funny ears, He kicks up at anything he hears  
His back is brawny but his brain is weak, He's just plain stupid with a stubborn streak  
And by the way, if you hate to go to school  
You may grow up to be a mule

Or would you like to swing on a star (like to swing on a star) carry moonbeams home in a jar (moonbeams home in a jar)  
And be better off than you are (better off than you are), or would you rather be a pig  
A pig is an animal with dirt on his face, His shoes are a terrible disgrace  
He has no manners when he eats his food, He's fat and lazy and extremely rude  
But if you don't care a feather or a fig  
You may grow up to be a pig

Or would you like to swing on a star (like to swing on a star) carry moonbeams home in a jar (moonbeams home in a jar)  
And be better off than you are (better off than you are), or would you rather be a fish  
A fish won't do anything, but swim in a brook  
He can't write his name or read a book  
To fool the people is his only thought  
And though he's slippery, he still gets caught  
But then if that sort of life is what you wish  
You may grow up to be a fish

And all the monkeys aren't in the zoo (monkeys aren't in the zoo) every day you meet quite a few (oo, you meet quite a few)  
So you see it's all up to you (yes it's all up to you)  
(Together - in harmony – blues high, greens low) You can be better than you are  
You could be swingin' on a star.

## 9 – 5 – Dolly Parton

Tumble out of bed and stumble to the kitchen  
Pour myself a cup of ambition and yawn and stretch and try to come to life  
Jump in the shower and the blood starts pumpin', out on the streets, the traffic starts jumpin' For  
folks like me on the job from 9 to 5

Workin' 9 to 5, What a way to make a livin'  
Barely gettin' by, it's all takin' and no givin'  
They just use your mind and they never give you credit  
It's enough to drive you crazy if you let it

9 to 5, for service and devotion  
You would think that I would deserve a fat promotion  
Want to move ahead but the boss won't seem to let me  
I swear sometimes that man is out to get me,

They let you dream just a watch 'em shatter  
You're just a step on the boss man's ladder but you got dreams he'll never take away  
In the same boat with a lot of your friends waitin' for the day your ship'll come in  
the tide's gonna turn and it's all gonna roll your way

Workin' 9 to 5 what a way to make livin'  
Barely gettin' by, it's all takin' and no givin'  
They just use your mind and you never get the credit  
It's enough to drive you crazy if you let it

9 to 5,yeah, they got you were they want you There's  
a better life and you think about it, don't you?  
It's a rich man's game no matter what they call it  
And you spend your life putting money in his wallet (REPEAT LAST TWO CHORUSES)

# Skyfall - Adele

This is the end, hold your breath and count to ten  
Feel the earth move and then, hear my heart burst again  
For this is the end, I've drowned and dreamt this moment So  
overdue I owe them. Swept away, I'm stolen

Let the sky fall, when it crumbles, we will stand tall, face it all together  
Let the sky fall, when it crumbles, we will stand tall, face it all together  
At skyfall, at skyfall

Skyfall is where we start, a thousand miles and poles apart  
Where worlds collide and days are dark  
You may have my number, you can take my name  
But you'll never have my heart

Let the sky fall, when it crumbles, we will stand tall, face it all together  
Let the sky fall, when it crumbles, we will stand tall, face it all together  
At skyfall

*(In two part harmony)*

Let the skyfall, when it crumbles, we will stand tall  
Let the skyfall, when it crumbles, we will stand tall

Where you go I go, what you see I see  
I know I'd never be me, without the security  
Of your loving arms, keeping me from harm  
Put your hand in my hand and we'll stand

Let the sky fall (let the sky fall), when it crumbles (when it crumbles), we will stand tall (we will stand tall), face it all together  
Let the sky fall (let the sky fall), when it crumbles (when it crumbles), we will stand tall (we will stand tall), face it all  
together At skyfall

Let the sky fall  
We will stand tall  
*(In three part harmony)* At  
skyfall
