

Friday 8th May

Dear Parents and Carers,

Year 1 Cooking Healthily

Our Year 1 pupils have this week been cooking for week 10 out of their 12 week programme and I loved watching them make healthy rainbow wraps and telling me the food types and nutritional facts. They did taste delicious and the children seemed to enjoy them too! We hope they come home and continue to share their learning with you. Thank you to Mrs Timm and *Kitchen Club* for providing this opportunity, to Miss Langer and her team and to the parent volunteers for their help.

Year 5 fundraisers

Well done to a group of our pupils in Year 5: Poppy F, Lorelei, Amber, Darcey, George and Andrew who have used their initiative and given up their time and resources to make friendship bracelets to sell for Breast Cancer Awareness charity. They are really proud that they have so far raised £22.00 and are taking orders if you are interested. Well done, team AK are proud of you!

AK Shining Brightly

We were really proud this week to welcome a colleague from a local primary school who came in to learn about our star challenge after hearing about how successful it has been for our children. She observed the star challenge in action in Class R and was really impressed. We also welcomed Miss Walmsley (you may know her as Katherine from Kirklands nursery) to the school for two weeks as part of her teacher training observations. She is certainly enjoying her time here and we are enjoying her visit. I look forward to welcoming quite a few past pupils who have organised their work experience with us over the coming terms. It is fantastic to support past pupils as they make their journey through further education.

Charlotte shines brightly outside school

Well done to Charlotte in Year 5 who has been offered a role in the production of *Oliver* at The Watermill Theatre, Newbury. She is one of 12 out of 80 who applied which is a fantastic achievement! Well done to Charlotte and Good luck.

Helpers for World Awareness Week

If you would like to help with an exciting world cooking workshop which every child will be receiving from *Kitchen Club* during World Awareness week, please let the office know and Mrs Timm will contact you to confirm a time once we have an idea of who can help. The days are Tuesday 19th May and Wednesday 20th May.

Cont...

Dates for your diaries:

11 th -15 th May	Year 6 KS2 SAT test week- Good luck to the Year 6 children- get plenty of sleep, eat well and enjoy! We have lots of treats for you throughout the week and are very proud of you!
