Dear Parents/Carers,

This week saw the launch of our AK Breakfast Club. I think this is excellent for our school and such a useful resource for parents and carers. Already I am impressed by the vision and drive of my Breakfast club leader, Mrs. Sharon Sampson, who is clearly enjoying her role and is so keen to make the club the best it can be. On entering the hall on the first morning, I was delighted to see a range of breakfasts on offer including healthy options and to see the children eating together. The morning activities which are offered afterwards include drawing, art and simple craft activities, puzzles and board games, all creating a very calm and positive environment, preparing the children for the start of the school day. Mrs Sampson has some wonderful ideas including a special free taster session for each child. Please see her message below:

'Hello Everyone,

I would just like to say that it has been a fabulous start to our breakfast club and we have really got off to a flying start. A big thank you to the parents who have already started to use the club and I am sure the children that have attended have really enjoyed it. We would like to give every pupil the opportunity to come along and try our breakfast club, therefore we have decided to send out one voucher per child for one free session at the club. These vouchers are valid until the end of Term 2 on Friday 19th December 2014. To use your voucher you must book into the club to ensure we have space for you for the required day. I have attached your child's voucher along with a booking form which can be returned to myself or the office. The regular cost for the club is £3 per child which is from 8am until the start of the school day.

Also, we have decided to offer a stay and play session for children who cannot come at 8am but would like to arrive at school at 8.30 am and join in with the quiet activities before the school day starts. The children will join their class circles when the bell rings at 8.50am ready for the start of day. If it is raining I will deliver the children to the classrooms to their teachers at 8.50am. We will provide fresh fruit and a drink during this session and the cost will be £1.50 for the stay and play session. Again please book in advance to ensure we have spaces for the days required.

*Hope to see you soon, any questions please ask,
Sharon Sampson*

We hope you will find our AK Breakfast Club useful to you. It is set up to help you and your support will enable it to continue. We will be putting a link to the booking forms onto our school website to make it as easy as possible to book your child in. For now, please use the paper form system as explained in this letter. In addition you can telephone the school or pop in and speak to Mrs. Sampson. Please make sure you book in advance to ensure your child has a place. I am looking forward to seeing our AK Breakfast Club grow.

Yours sincerely,
