

SHINE BRIGHT ★ REACH FOR THE STARS

Starting School

This book is for

2016/17

Introduction

Soon it will be time for you to start school where you will meet lots of new friends as well as some people that you know already.

Your teachers will be

Mrs Crowley

Mrs Serle

Class R Teaching Assistants :

Olivia Davis

Stuart Jackson

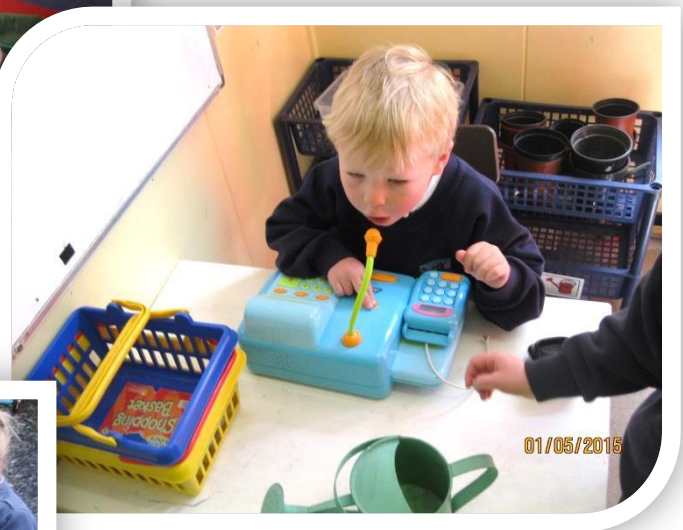

Dawn Brown

We are looking forward to getting to know you when you come and visit us at school.

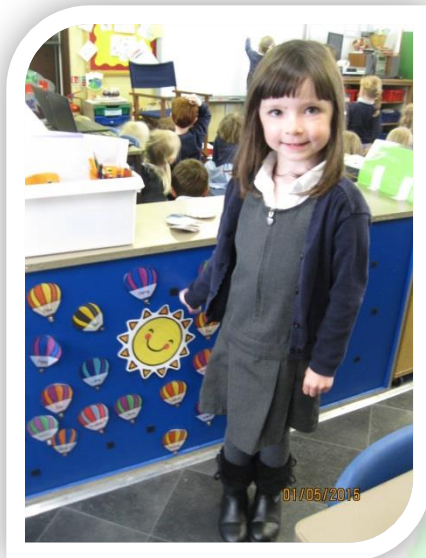

We have lots of fun activities for you to try.

When you come into the classroom in the morning there are many things for you to do.

First, you need to hang up your coat and bag. In the cloakroom you will find a peg with your name on it. You can put your water bottle on the shelf above your peg. If you are having a packed lunch we will show you where to put it in the school hall.

Next, you need to come into the classroom and find your name. You can move it to the sunshine to show that you have arrived.

After that, you can choose an activity. When you hear the rain-shaker, you need to stop what you are doing and listen.

On the activity train you will see the things that we will be doing that day.

Every day we go to assembly. This is when the whole school get together in the school hall to listen to stories, sing songs and look at all the good things that have been happening in school.

We have snack time each morning when you will be able to have a piece of fruit. Often there are apples, bananas, pears, carrots or oranges.

We also have 'Show and Tell' each day when we choose one person to bring something from home to share with the class. You might choose a toy, a picture, a book or something else. We will give you a sticker to let your Mummy or Daddy know that it is your turn.

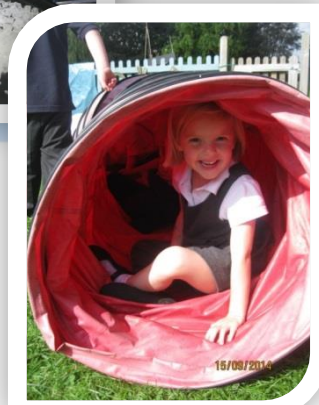

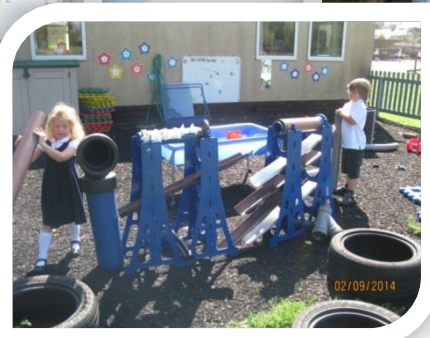

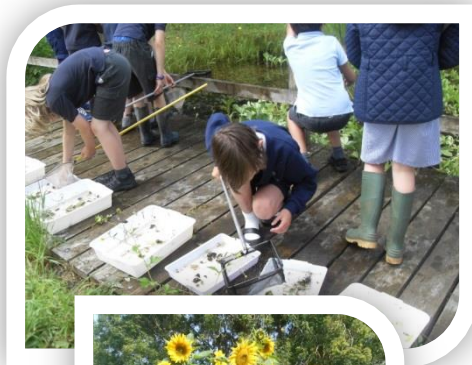

Every day we go outside for playtime. There will be a special person who will look after you. This person will be your buddy.

When you are ready to stay for lunch you will eat your lunch in the hall with your friends.

During the rest of the day you will spend some time doing activities that the teachers choose for you and sometimes doing activities that you choose for yourself. These can be inside or outside, on your own or with your friends.

Have a look at the pictures to see if you can spot anything you like doing.

Outdoor Education

When it's time for you to go home, whoever is collecting you will wait outside the classroom and we will call your name to go and meet them.

See you soon!
