## Weekly Tasks

Take care of this leaflet as it contains all the English homework tasks between now and the half term holidays. Bring completed tasks into school every Tuesday. The different pieces of work may be displayed in school so **HIGH QUALITY** work is expected. Your presentation is very important, but the content of your work is even more important.

Always give yourself enough time to produce a high quality piece of work and **check it through carefully**.

Throughout this topic, there are frequent extension activities to give those children who choose a further challenge.

Children are required to practise their writing targets when there is opportunity. Writing tasks and practical tasks are included to make the tasks fun and appealing to all. I hope you really enjoy these activities!

I will also give you a Maths activity to complete that is linked to our learning in school and at an appropriate level of challenge.
