

Getting to know you, getting to know me

Homework information

I have tried to create a task that you will enjoy doing, it is not compulsory for you to do the activities but your completed tasks will be shared in class during our first week back in September. You should inspire the homework but you are more than welcome to ask your parents for help. The tasks do not have to be completed in order and you can pick and choose which ones you would like to do. The homework will give me more information about you and will allow me to begin to

understand and see your strengths and any areas of improvement.

Helpful hints!

The time line can be as simple or as tricky as you like!

Simple, important dates are fine.

Adjectives – are words that can be used to describe things (big, small)

Verbs – are doing / action words (walk, run, jog)

Exciting verbs – action words (skip, stroll, hobble)

Paragraph – a collection of sentences based on the same topic.

Illustration – picture

I can't wait to see all of your beautiful work. If you need paper to do any of the tasks on, come and see me in class 4 and I will happily give you some. Enjoy your summer holiday.

See you in September!
