

EYFS Term 5

Summer Newsletter

We hope you all had a lovely Easter break and are ready for the new term. We have two themes this term: 'It's a bug's life' and 'Superheroes'. The children have expressed great interest in both topics and we are hoping we will discover some experts amongst them! The last week of term is World Awareness Week for the whole school and we will let you know more about this nearer the time.

Word Books

This term we will be introducing word books to help your child increase their sight recognition of high frequency words. This is another strategy to help your child's reading fluency. Please keep your child's word book in their book bag so that we can add more words as and when they are ready.

Reading

Please bring your child's reading folder to school every day, as books are changed on a rolling timetable.

Please ensure you let us know when your child has read at home by initialling or commenting in their reading record book. We will also continue to hear your child read either individually or in a group and will comment accordingly.

Maths

In our maths lessons we will be focussing on addition and subtraction with lots of problem solving. If you would like to help your child with this please use all opportunities for real life practise. For example how many wheels does your bike have? How many wheels would 2 bikes have? How do you know?

Wow notes

We love sharing your child's achievements with the class. Please continue to record these moments and send them into school.

Dates for your diary with more information to follow....

Class R's trip to Cotswold Farm Park - **7th June**

Class R's class assembly - **13th June**

Reading Breakfast - **5th July**
