Optional task for the Easter holiday.

We held a party for The Beast. We had to decide on a guest list, write invitations, plan and prepare a menu, make bunting and masks.

Just for fun, plan an Easter party for your family and friends. Who would you invite? What would you eat? What games, or activities would you play, or do?

Children are still expected to read at home, practise times tables and spellings.

Tasks in this booklet will be set on Wednesday each week and should be handed in the following Tuesday.

We are looking for creative ideas and excellent presentation as well as the children enjoying the activities.

Weekly Tasks

Take care of this leaflet as it contains all the homework tasks up until Easter. Bring completed tasks in to school every Tuesday. A selection of work will be displayed in class, so **HIGH QUALITY** work is expected! Your presentation is very important but the content of your work is even more important.

Throughout this booklet, there are frequent WOW activities to challenge you, giving you extra opportunities to develop your learning should you choose to take them on!

Children are required to practise their **writing targets** when there is opportunity.

There are a mix of tasks; practical 'making' tasks, as well as maths, writing and science activities, to make the tasks fun and appeal to all.
