

This booklet contains suggested homework for the next 5 weeks.

It contains a variety of fun activities for you to do with your child at home.

We expect your child to share a reading book with you daily and practise saying and blending the sounds on their sound fans.

Please bring your completed homework activity (if applicable) in to show us on Wednesdays. If you want to bring in a photo of you doing one of the activities that would be lovely.

Try your best and have fun!

Class R Homework Booklet

Week 1 (w/c 9th Jan)

We have been reading the story 'The Gruffalo's Child'

Draw a picture of your favourite character in the story.

Write their name if you can.

Week 2 (w/c 16th Jan)

Find out a fact about an animal that lives in a snowy, icy place.

You could ask a grown up, look in a book or use the internet with an adult. You will have a chance to tell us your fact in class. Draw it, and if you can, write your fact.

It's ok to have some help from a grown up.

Week 3 (w/c 23th Jan)

Ask a grown up for an ice cube from the freezer. How long does it take to melt and become water?

Draw a picture to show what happened. Write the number of minutes or hours it took to melt.

Week 4 (w/c 30th Jan)

Collect 20 sticks from your garden or when you are out and about. **Keep them safe at home** so you can use them for next week's activity!

Week 5 (w/c 6th Feb)

In class we have been busy with sticks. Use the sticks you collected and kept safe last week to make something using just sticks (and something to secure them of course...!)

We hope you have enjoyed this term's homework. Have a lovely holiday.
