

This booklet contains suggested homework for the next 4 weeks.

It contains a variety of fun activities for you to do with your child at home.

We expect your child to share a reading book with you daily, read the words in their word book and keep practising saying and blending their sounds.

Please bring your completed homework activity (if applicable) in to show us on Wednesdays. If you want to bring in a photo of you doing one of the activities that would be lovely.

Try your best and have fun!

# **Class R Homework Booklet Term 5**

### **Week 1 (w/c 1st May)**

Go on a garden bug hunt!  
How many minibeasts did you see? Draw them, label them and count them.

### **Week 2 (w/c 8th May)**

Are you always told to eat your veg? Do you know why? Find out what superpowers carrots, broccoli and peas have. Draw and write about them in any way you wish.

### **Week 3 (w/c 15th May)**

Do you eat 5 (or 7!) fruit and veg a day? What about the rest of your family? Record how much fruit and veg you (and your family if you want) eat for 3 days. Is it more or less than you should? What do you eat most of?

### **Week 4 (w/c 22nd May and over the half term holiday.)**

Have a go at making a miniature garden – have a look at this website if inspiration is needed!  
<http://nurturestore.co.uk/how-to-make-a-miniature-garden>  
Bring them in after the holiday to show us (or take a photo if easier!) We can look after them in school or you can take them home and watch them flourish.

**We hope you have enjoyed this term's homework. Have a lovely holiday.**
