

ASHTON KEYNES

— Church of England —

Primary School

Ashton Keynes C of E Primary School is located on the county borders of Gloucestershire and Wiltshire close to the towns of Cirencester, Cricklade, Malmesbury and Swindon.

Educating children from Wiltshire and Gloucestershire, our catchment area is spread around the beautiful countryside of the fabulous Cotswolds, the local Water Park and neighbouring villages. Steeped in history, the school continues to maintain an exceptionally high standard of education. The governors and staff of the school aim to foster the fullest all round development of every child in a happy learning and teaching environment within a Christian framework.

Ashton Keynes Primary School staff are exceptionally enthusiastic about what they do to ensure all the children reach their highest possible potential and are fully prepared for the modern world ahead.

At Ashton Keynes our children are:

- Highly motivated and really want to learn
- Embracing their learning through curiosity and creativity
- Happy, value and respect themselves, others and their environment
- Striving to give their best academically, emotionally, socially and spiritually.

Outside Learning: We are dedicated to ensuring that children experience outside learning with gardens, playground and a wildlife pond.

Dedicated ICT: Our ICT equipment enhances the childrens' learning with laptops and interactive whiteboards in every class. We also have a well equipped library, dining hall for hot school dinners and music room.

After School: We offer a multitude of after-school clubs from cricket, netball and football, to cookery, art, choir, orchestra, ICT and more. Our caring and experienced teaching and support staff run these clubs, offering extended learning experiences that the children really enjoy.

On site we have a professionally run after care and holiday club available until 6pm*

*external agency run – please ask for further details

**Don't just take our word for it...
this is what our children say:**

"All the teachers work really hard to help us make learning fun."

"The School Council is very important, we know we are listened to."

"Learning is fun. Here, you learn without realising you are doing it."

"Everyone is happy and part of Team AK"

"You can learn to play an instrument too."

"I love coming to school..."

"ICT is full of interesting stuff. We learn something new everyday. My favourite lesson is ICT."

"The after-school clubs are full of interesting things to do. I will be doing Football next term."

...Children are confident and learn successfully

OFSTED 2012

...Reading is exceptional

OFSTED 2012

“My children enjoy going to school. I feel we are a part of a special learning environment...

...To send our child to such a well run school in a traditional village setting is ideal for us.

My children are accepted for who they are.”

‘Our staff are committed to providing a happy, stimulating and challenging learning environment that focuses on each child achieving high standards in a safe and caring setting.’

The secret to Ashton Keynes Primary School's success is its inspirational leadership and excellent teamwork throughout. Coupled with a strong governing body and the ever-encouraging support from FoAKS (Friends of Ashton Keynes School), Ashton Keynes is the school of choice.

Primary School

Come and join us...

“Most important in the school are the people involved in it. We believe that the education of your child is a process that is shared between the children, parents, governors and staff.”

We already welcome a number of children from outside the village, so come and experience for yourselves the wonderful things we do at our school.

“...We would love to see you!”

Please email or ring the school office for an appointment or information about our admission arrangements.
