

This is Sefiyat. She doesn't go to school so she is working.

Sefiyat washes clothes every day while her friends go to school. She can't cross the river to go to school.

Sefiyat hangs the clothes up to dry and helps her Mum tidy the house but she dreams about being a doctor. She won't become a doctor unless she goes to school.

We can help Sefiyat get her dream,. We can do it if
YOU help.

We want to send our World Leaders to Mr Cameron.

In your class please can you colour in your World Leaders and write a message in them saying why everybody should go to school.

What would YOU say to world leaders?

YOU CAN MAKE A DIFFERENCE.
WE CAN GET EVERY CHILD IN SCHOOL.
WE NEED YOU!
