

Whole School Visit to 'Cinderella'

On Tuesday 13th December, the entire school went to see the pantomime of Cinderella at the Wyvern Theatre in Swindon, what fun we all had! The event was really enjoyed by all, with the children representing Ashton Keynes C. Of E. Primary School admirably with their impeccable behaviour, despite being very excited.

It was an absolute pleasure to see the faces of the children as the experience offered so much to every age, including the adults, who certainly had a really good chuckle.

As a Governor I consider it a pleasure to be asked to help with such a wonderful family atmosphere.

Thank you Team AK, especially all the children who made it a magical experience for everyone. I was very proud of you all.

Jan Thompson Co-opted Governor
