

THE WHISPERER

Welcome to the 6th edition of The Whisperer! This month (May) has been a great month hasn't it? We have had the Y6&2 SATS , World Awareness Weeks and several school trips! This term , we all need to say a MASSIVE thank you to the Kitchen Club , Breakfast Club , Cygnet , Tesco and all of the teachers. WELL DONE! We all need to say a massive thank you !

SHINE BRIGHT ★ REACH FOR THE STARS

The whole school have been noticed by the Whisperer due to the fact that EVERYONE has visited every classroom and met EVERY teacher , from YR`s to Y6`s. Everyone is extremely proud of the YR`s for having the courage to go round to each classroom and be taught for 3 hours by a different teacher. In addition , each group had an hour with the Kitchen Club (represented my Mrs Tim and Mrs Noonan) to cook from either a Indian menu or a Chinese menu. YUM!

Y6 have been practicing since November for the SATS and this month, they finally came this month! The 11th, 12th, 13th and 14th of May were the dates of the SATS for the Y6`s . Mrs Saville, Mrs Voss, and all te the helping TA`s were extremely happy with the way that the class coped. They were treated on Friday with a **WHOLE** day of DT (Design and Technology) , making an eco-house .
Also Y2 have been completing SATS , well doe both classes!

The main article this time is a creativity one . Below , are two things to make – one suited more for girls and one for boys however if you want to do any , it`s fine!

SEED BAGS...

A seed bag – what an Earth ? This handy little bag can be filled with seeds to be planted in your garden! Follow the steps below...

1. Get two pieces of material.
 2. Get a needle and black thread he stich them together , make sure not to stich the top! If you can sow, try to do a cross stich!
 3. Get a long bit of material to make a loop so you can hold it.
- FINISHED ! If you want you can decorate it with stickers

GOO...

An adult is needed to help out!

1. Get ½ a cup of glue and mix with ½ a cup of cold water with green food colouring.
2. In a separate container , mix a table spoon of Borax (washing detergent) into one cup of just below boiling water. **GET AN ADULT TO HELP!**
3. Put the two substances together then mix. Soon a blob should appear , take it out then knead it . Don` t eat it! Keep it l a ziplock bag...

FRUIT OF THE MONTH

UGLI FRUIT

The Ugli Fruit – what a funny name! This interesting Citrus fruit originates from a country called Jamaica (located in the Caribbean) but can also be grown in the USA. From a distance , the Ugli fruit appears to be a cross between a Grapefruit and a mandarin although its skin is wrinkled , yellow , rough and sometimes may appear a little blotchy. The taste is supposed to be sourer than an Orange but less bitter than a Mandarin – weird! Overall , the Ugli fruit is extremely interesting an can be purchased in the UK from fruit shops during the season of Spring ...

What is your favourite subject at school, is it literacy , or maths? Maybe history? Well here at the Whisperer , we would like to do a survey on the schools favourite subjects! If you wish to participate , please give us a piece of paper with your favourite subject...

" A little nonsense here and there is relished b the wisest of men." - Roald Dahl

COMPETITION!

The Whisperers 6th challenge is to design a mythical animal. You can base it on an already believed in one (such as a Minotaur, Centaur) or you can make your own up. Every entry will get a prize but from each class , one will be chosen to receive a main prize. If you would like to enter the competition , you should follow the Star Challenge guidelines below then hand it in before the 19th Of June , GOOD LUCK! :

- * One Star – Draw your mythical creature
- * * Two Star – Draw your Mythical creature and label it`s features
- * ** Three Star – Draw your Mythical creature and put adjectives (WOW words) around it

Dikhaon tujhe Calender !!! Kasam kar le.....

The sport of the month is rock climbing. Rock climbing is a fun sport which is as mentally demanding as physically. Whilst you Rock Climb , you must plan your route up the rock face. If you get really good , you could even try to climb Mount Everest! Rock climbing is a sport which requires a long time of practice.

Certain leisure centres have artificial rock faces that you can learn to climb on. If you practice hard, you can start climbing on real walls. **PRACTICE MAKES PERFECT!** Ask your parents If you want to try Rock Climbing!

We chose this picture as it is extremely funny. This baby is rather peculiar – isn` t it?
