

The poster features a decorative border of green poppies with black centers, arranged in a rectangular frame. Inside the frame, there are two text boxes. The top box is light blue with a wavy bottom edge and contains the title 'Remembrance day' in bold black text. The bottom box is white with a black border and contains two paragraphs of text. The background of the poster is white.

Remembrance day

Even though this is very sad to write about, the whisperer is going to tell you about remembrance. Although people were lost in action, they may be lost but not forgotten. Everyone wanted to protect their countries like we would do. As well as thinking about our soldiers we also have to think about the enemies, seeing as some of them have lost their lives too. It's not just soldiers who have lost their lives that we remember it's also those who are still serving now. On Remembrance Day at the 11th hour the whole school paid their respects by gathering in the hall and being silent for a minute.

Peace our value this term. It links very well with Remembrance Day. We have been reaching for the stars and have learnt a new song about peace and it has sign language with it. Mrs Campbell has been teaching us the sign language for the peace song and the Christmas carol we wish you a merry Christmas.

Melons are great sources of energy as they have lots of vitamins as a bonus they come in lots of different sizes! In Greek, melons are called melons strangely enough in lots of countries they also use the word melon like Russia, Spain, Italy and Japan. All these reasons mean you should try a lovely tasty melon. Year 6 recommend water melons as they are the juiciest and leave a lovely taste in your mouth.

The Christmas Challenge is here!

Competition time! If you like drawing or simply being funny why not join in. The whisperer team is holding a competition of the best Christmas comic. Bring it to Y6!

Your comics must be a maximum of 6 boxes long. There must be illustrations and captions or small sentences. Add any decorations that you want.

Christmas!

Sport of the term

This edition's sport is...ice skating

Ice skating is a very popular sport in places such as Russia, America, Japan but if you look at the place where figure skating pairs are most popular you will find out it is China.

This winter, ice skating is a great sport to have a go at because you can do it inside too. Make sure you don't slip!

Edition 10

YR 2!!!

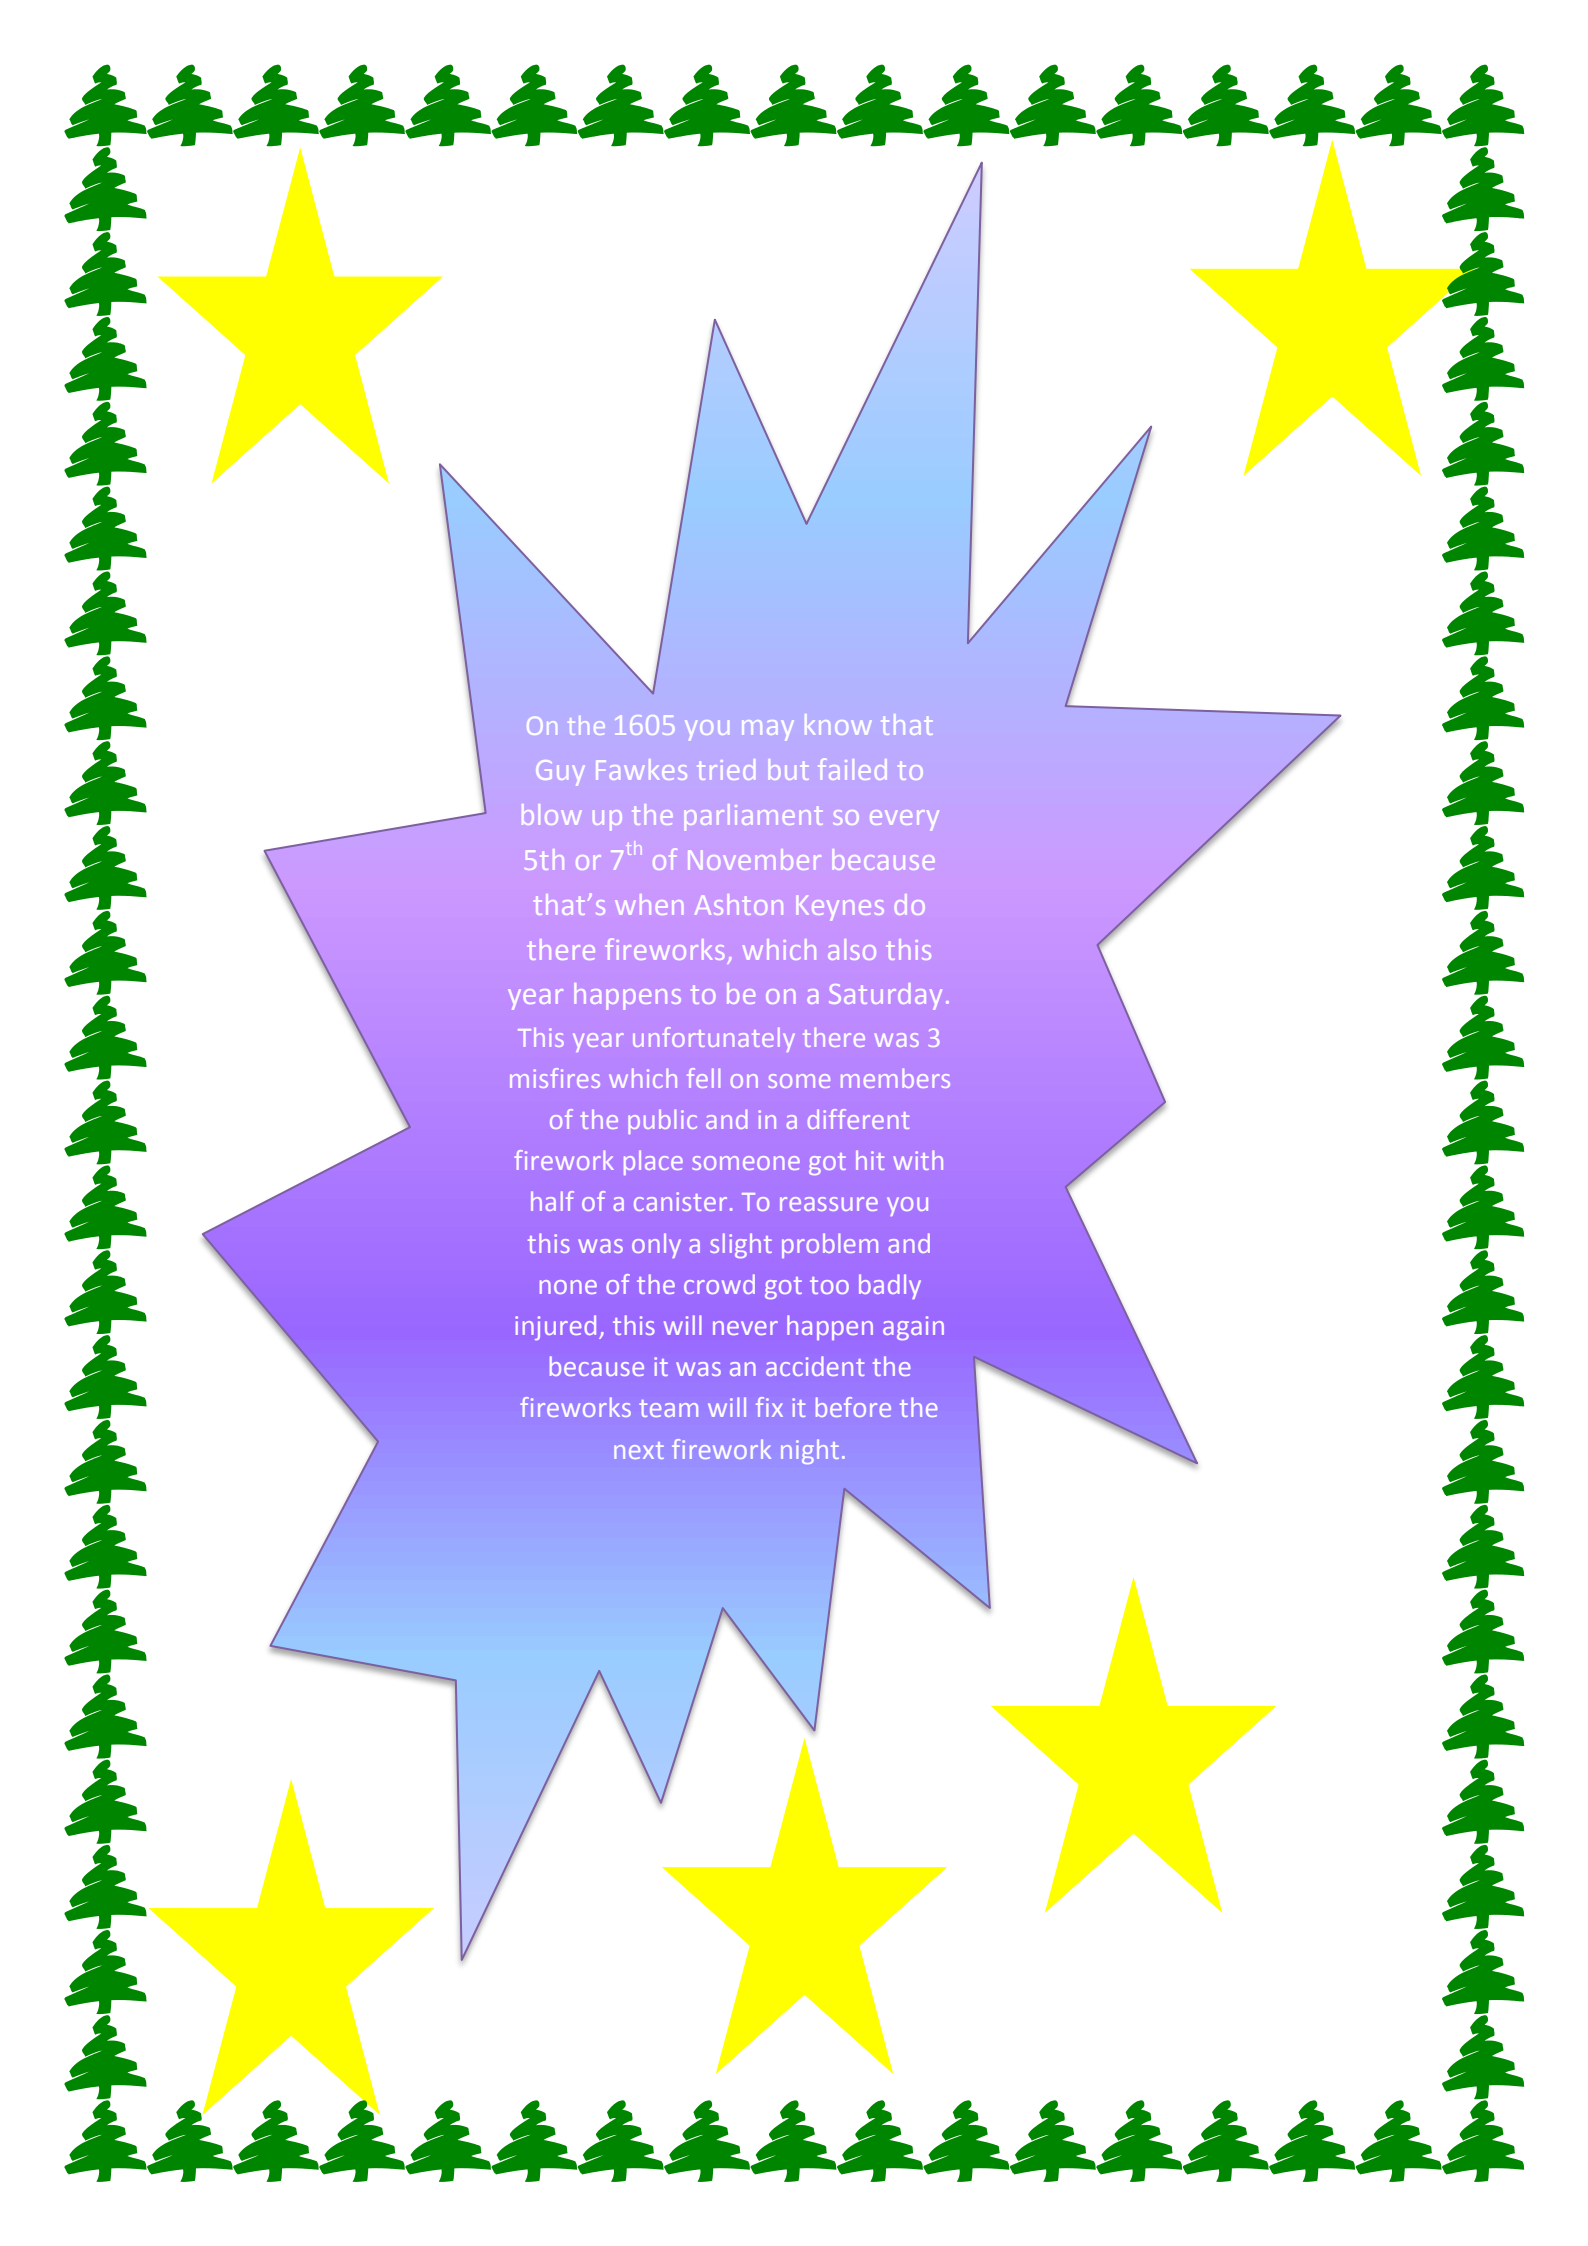

Merry Christmas

We are all very excited for CHRISTMAS! For some people this will be a day to hang with their family and possible friends others this may be a time to reflect on Jesus' who was born on Christmas day which is why we celebrate it. Lots of people celebrate being time with their family say if you have a member of your family in the war- in every war- and it will be lovely to see them and people who may not be as fortunate it could be a time to think about their family even if they are no longer with us.

We all know about the jolly man that gives presents and has a snowy white beard. But did you know in other countries they call Santa different names which include: Christmas man, Daddy Christmas, Grandfather Frost, Yule Man, Yule Elder, Yule Gnome, Yule Goat, Father Christmas.

On the 1605 you may know that
Guy Fawkes tried but failed to
blow up the parliament so every
5th or 7th of November because
that's when Ashton Keynes do
there fireworks, which also this
year happens to be on a Saturday.
This year unfortunately there was 3
misfires which fell on some members
of the public and in a different
firework place someone got hit with
half of a canister. To reassure you
this was only a slight problem and
none of the crowd got too badly
injured, this will never happen again
because it was an accident the
fireworks team will fix it before the
next firework night.
