

This booklet contains suggested homework for the next 5 weeks.

It contains a variety of fun activities for you to do with your child at home.

We expect your child to continue to share a reading book with you daily and practise reading the words in their word books.

Please bring your completed homework activity (if applicable) in to show us on **Wednesdays**. If you want to bring in a photo of you doing one of the activities that would be lovely.

Try your best and have fun!

Class R Homework Booklet Term 4

Week 1 (w/c 26thth Feb)

Last week we learnt the story of the Gingerbread Man. Draw a picture of one of the characters and, using your sounds, write a sentence that they might say.

Week 2 (w/c 5th March)

This week we are meeting the Giant at the top of Jack's beanstalk. Who is the tallest person in your house? Do they have the biggest hands and feet too? Do some measuring and find out.

Week 3 (w/c 12th March)

It's Science week! The theme this year is exploration and discovery. In class we will be discovering how to make giant bubbles. Here's a couple of ideas for fun activities to do at home. (No pressure!)

Week 4 (w/c 19th March)

The Little Red Hen has been busy making bread in our classroom this week. She did it all by herself because none of her friends helped her.

Can you help someone in your family with a job? Maybe washing up, cooking tea or even making bread!

Week 5 (w/c 26th March)

We have been looking after some chicks this week. Draw your favourite chick and write down some words to describe it.

We hope you have enjoyed this term's homework. Have a lovely holiday.
