Roving Romans

Weekly Tasks

Take care of this leaflet as it contains all the English homework tasks between now and Christmas. Bring completed tasks into school every Tuesday. **HIGH QUALITY** work is expected and may be displayed. Your presentation is very important, but the content of your work is even more important.

Always give yourself enough time to produce a high quality piece of work and **check it through carefully**.

Writing tasks and practical tasks are included to make the tasks fun and appealing to all. We hope you really enjoy these activities!

We will also give you a Maths activity to complete that is linked to our learning in school at an appropriate level of challenge.

From Miss Redman

There will be no homework due on Tuesday 13th November due to parents evening commitments.

Please use this time to find out more about the Romans through books or online research. You may like to visit the Roman amphitheatre (near Waitrose) or the remains of the Roman wall in the Abbey Grounds. There is also a Roman column near the police station. Bring in any pictures you take of yourself visiting these sights.

Maths homework is online via Mathletics and Times Tables Rockstars where Sound Check sessions have been set requiring you to answer 20 tables questions with a 5 second time limit. Good luck!

for Tuesday 20th November

Write a recount about our visit to the Corinium museum, making sure you describe what we did at the museum, the things you learnt and your highlights of the visit.

- * Write your recount in time order, with a new paragraph for each new part of the day you describe.
- ** Use a range of interesting ways to begin your sentences (NOT then, after that or next!)
- *** Use interesting vocabulary to describe your experience.

for Tuesday 27th November

We saw some spectacular mosaics at the Corinium Museum. For your homework this week create a mosaic that could have been found in a Roman villa. You can do this in a variety of ways. By using collage materials, actual tiles, hand drawing the mosaic or using this fantastic website.

<http://gwydir.demon.co.uk/jo/mosaic/mkmosaic.htm>

- *** Research more about mosaics and add some fascinating facts about them using your own words.

for Tuesday 4th December

Research a Roman invention and design a poster to advertise it, as if it has just been invented!

- * Include a diagram of the invention that's labelled to show the features.
- ** Include a description of the invention, explaining how it makes life easier.
- *** Create a slogan for your advert and include exaggeration, similes and metaphors in your product description.

For Tuesday 11th December

Based on our learning in school, and research you might complete online, create a piece of artwork to represent Boudicca's rebellion against the Romans.

- * Take care drawing any people in your artwork – no stick people!
- ** Include features to show that your scene is set in Roman Britain.
- *** Show foreground, middle ground and background to give perspective

for Tuesday 18th December

Design and make a Roman shield! You can do this using cardboard or you may wish to make it using wood. There is lots of information online which will give you design. You will use your shield in school in a future lesson!
