

This booklet contains suggested homework for the next 2 terms.

It contains a variety of fun activities for you to do with your child at home.

We expect your child to continue to share a reading book with you daily and practise reading the words in their word books.

Please bring your completed homework activity (if applicable) in to show us on **Wednesdays**. If you want to bring in a photo of you doing one of the activities that would be lovely.

Try your best and have fun!
