

Week 5: 3rd July

Task: In maths we have looked at adding numbers together. When we add we know our answer needs to get bigger. Roll a dice or use flash cards to 9 to add together numbers.

1* Add together 2 numbers, repeat this 3 times.

2* Add together 3 numbers, repeat this 3 times

3*- Add together 3 numbers, repeat this 5 times.

Week 6: 10th July

Task: Next week you will be visiting your new classroom and teacher.

1* Write a question you would like to know about the teacher or the class or the work.

2* Draw a picture that shows your new class teacher all about you. Write a question you would like to know about the teacher or the class or the work.

3* 2*, plus write some interesting facts about yourself to share with your new teacher.

Children are still expected to read regularly at home..

Tasks in this booklet will be set on Wednesday each week and should be handed in the following Tuesday.

We are looking for creative ideas and excellent presentation as well as the children enjoying the activities.

Writing Targets

These targets are expectations for the end of Year 2 and can be used to help you support your child with their home learning.

- With support, I can use a capital letter to start a simple sentence and a full stop at the end.
- **In some writing**, I can use a capital letter to start a simple sentence and a full stop at the end.
- In some writing, I can use a capital letter to start a simple sentence and a full stop at the end.
- **When I write a question, I can use a question mark. I can use commas in lists.**

Good luck, work hard
and have fun.

Summer
Term

Name _____

Year 2

Homework

To be handed in Tuesday of each week.

Weekly Tasks

Take care of this leaflet as it contains all the homework tasks up until the last few weeks before the summer. Bring completed tasks in to school every Tuesday. A selection of work will be displayed in class, so **HIGH QUALITY** work is expected! Your presentation is very important but the content of your work is even more important.

Throughout this booklet, there are frequent WOW activities to challenge you, giving you extra opportunities to develop your learning should you choose to take them on!

Children are required to practise their **writing targets** when there is opportunity.

There are a mix of tasks; practical 'making' tasks, as well as maths, writing and science activities, to make the tasks fun and appeal to all.

Now it's time to have some fun!

Week 1: 5th June

Task: We are half way through 'Aware of our world week' and we have been looking at the world and issues people face.

1* - Draw a picture of something you have learnt this week.

2* - Write a sentence that tells us about what you have drawn.

3* - Write a paragraph explaining why you have enjoyed this classroom experience the most and what you have learnt about it.

Week 2: 12th June

Task: Fathers day is this Sunday.

1* - Draw a picture of someone who is special to you and write one thing you love about him.

2* - Draw a picture of someone who is special to you. Write one thing you love about them and one thing you would like to thank them for.

3* - Draw a picture of someone who is special to you. Now write about what you love about them and what you would like to thank them for.

Week 3: 19th June

Task: Today we visited Cotswold Wildlife park.

1* - Draw a picture of your favourite animal from the park and write a sentence telling us what you have drawn.

2* - Write a few sentences that tell us about what you have drawn and why it is your favourite.

3* - Write a short paragraph recounting the trip, think about the workshop we took part in and the things you saw during the day.

Week 4: 26th June

Task: This week has been 'Sports' week.

1* - Draw a picture of you doing your favourite sport from this week.

2* - Write a sentence that tells us about what you have drawn.

3* - Write a paragraph explaining why you have enjoyed this sport the most and what you have learnt about it.

WOW - Find out about a sport that is played in a different country. Share your fact with family members and your class.
