

This booklet contains tasks to do at home for the next 9 weeks. There are no tasks for December because we feel that as this is a very busy time in school and at home all of us would appreciate a break from home learning!

It contains a variety of fun activities for you to do with your child.

We expect your child to share a reading book with you daily and practise saying and blending the sounds on their sound fans. These will be given out in week 4/5.

Please bring your completed homework activity (if applicable) in to show us on Wednesdays. If you want to bring in a photo of you doing one of the activities that would be lovely.

Try your best and have fun!
