

## EYFS Term 4 Spring Newsletter

We hope you all had a lovely break and like us, are looking forward to some warmer weather! Our theme this term is 'Down with the Dinosaurs' followed by a creative learning project.

### Word Books

We are delighted with the children's enthusiasm about their word books and many children are striving to earn the special bookmarks awarded for every 20 words learnt. Your child will continue to bring home their word book every week. Please can you help them learn to read the words. This will enable them to increase the number of common words they can read by sight and improve their fluency. Words will be added to their books every Thursday.

### Reading

Please continue to bring your child's reading folder to school every day, and books will continue to be changed on a rolling timetable.

The Teach Your Monster to Read App is free to download until midnight on Friday 28th March.

### Wow notes

We love sharing your child's achievements with the class. Please continue to record these moments and send them into school. You can always find more wow notes in our cloakroom.

### Parents Evenings

You will shortly be able to sign up for parent consultation slots which take place on 10th and 12th of March.

### World Book Day – Thursday 5<sup>th</sup> March

The focus of World book day this year is poetry. In Class R we will be focussing on Nursery Rhymes. We have some lovely activities planned and hopefully your child will be able to recite some rhymes to you when they come home!

### General Reminders

Please ensure all your child's belongings and clothes are clearly named, especially PE kits.

PE will be on Wednesdays however it is useful to keep PE kits in school all the time.

Please don't hesitate to speak to us should you need to.
