	writing and set children a writing challenge <u>https://authorfy.com/masterclasses/</u>						
	Study Ladder - English tasks set by Teacher <u>www.studyladder.co.uk</u>						

## Afternoons

Please see the Class 3 topic web with project style tasks for the term which give children the creative independence to choose what to do in their own way across the week. The topic web tasks are designed for children to complete with greater independence, to take pressure off parents. Hopefully children will enjoy these open-ended tasks and it will be more manageable. These are quite flexible and can be done across the week in small bursts. Children are also free to follow your own creative learning ideas which are not including on the topic web.
