## Lower KS2 Timetable

### Afternoons

Please see the **Class 4 Summer Afternoon Tasks** with project style tasks for the term which give children the creative independence to choose what to do in their own way across the week. The topic web tasks are designed for children to complete with greater independence, to take pressure off parents. Hopefully children will enjoy these open-ended tasks and it will be more manageable. These are quite flexible and can be done across the week in small bursts. Children are also free to follow your own creative learning ideas which are not including on the topic web.

TES have fantastic resources for all topics: <a href="https://www.tes.com/teaching-resources/teacher-essentials/home-learning">https://www.tes.com/teaching-resources/teacher-essentials/home-learning</a>

I am here to continue the teacher-pupil relationship and to steer the learning, set ideas and give feedback where needed. You and your child may like to share some learning from the week or just let me know how it is going. I love reading all of the emails and seeing the work and photos sent over to me each week.

Thank you as always for all of your support and efforts homeschooling - you are all amazing!
