

Core Christian Values for life – “I came that you may have life, life in all its fullness” (John10:10)

we inclusively and actively promote [Christian values](#) in our school. Our worship council identified [4 core values](#) which our school are known for: friendship, creativity, perseverance and trust. We have a wall of stars on which children demonstrating these values in their daily life inside or outside school can shine. We look for the impact of the teaching of Christian values upon children and staff in their daily lives. Upon visiting the school, visitors comment on the positive impact of the values upon the ethos of the school and it is clearly evident within the strong relationships between pupils, staff, parents and the community of our school.
