Green represents above local and national averages

Strengths in our results:

- Significantly above national in all areas: Reading, Writing, EGPS and Maths and R,W,M combined.
- Progress in all areas is very strong for this cohort of children and compared to national as can be seen below.
- Average scaled score for the cohort was above LA and National in all areas

Derived Average Scaled Score: School compared with National Data

	School 2017	National 2017
Reading	108	104.1
EGPS	109	106.0
Maths	107	104.2

Progress Measure KS1 to KS2: School Figures compared to National Data

School level of progress is presented as a positive and negative number either side of a zero. A score of zero means pupils, on average, do as well as those with similar prior attainment nationally.

	School 2017	National range
Reading	5.4	(2.9-7.9)
Writing	5.2	(2.8-7.6)
Maths	4.3	(2.1-6.5)

3 pupils were not included in this progress data due to being educated elsewhere and not doing KS1 assessments. From baseline entry to our school, we tracked these pupils as making significant progress from those starting points.
