'Orange PE Kit Slip'

Year Group:

Dear Parent/Guardian

Unfortunately your child did not have appropriate PE Kit for their most recent PE session. To make sure as many pupils can take a full part in their PE lesson we are striving for 100% PE Kit across the school. Parent feedback has informed us that often our pupils are not telling parents when they have no/incomplete PE Kit. Therefore we have designed this letter to let you know what they are missing so they can have full kit available for their next session. Your support is greatly appreciated! The items marked with an 'X' are the ones your child will need for their next session.
