

Dear Parents and Carers,

We would like to introduce ourselves as the School Council for 2021-2022. One of our first tasks for the year is to launch and manage the anti-bullying week which this year, is themed as “**One Kind Word**”.

We will be introducing this week with an assembly on the 9th November where we will tell the whole school our plans for the week including:

- Odd Socks Day – 15th November – please send your child in to school wearing odd socks (the brighter, the better) this will help raise awareness for the week and also highlight how we are all unique and different but part of the same family,
- In school competitions – kindness bingo and anti-bullying super hero designs.

During the week, the school will be focusing on our anti-bullying school slogan of “Don’t be scared, be prepared”, encouraging the children to speak out against anything they see and support each other. To ensure all children know what to look out for, our assembly will cover what bullying is, how to spot it and what to do if they think it is happening to them or their friends.

We hope you can support us with delivering these messages and if you need any further information about anti-bullying week, please visit their official website [Anti-Bullying Week 2021: One Kind Word \(anti-bullyingalliance.org.uk\)](https://anti-bullyingalliance.org.uk). Or if you have any concerns, please speak to your class teacher or the office team.

Remember: Don’t be scared, be prepared!

Thanks,

The School Council Team
