

PUPIL VOICE – PHONICS AND EARLY READING

I love picking a book from the library to take home. I can chose which ever one I like!

I like it when the mums come in and hear me read.

I like it when I can read more words and the adult tells me I did well.

My buddy helps me find books. I like it when they read to me

I like 'The Naughtiest girl' and 'Ben Miller' are really good books too.

If you read you can get better at vocabulary and if you get better at vocabulary then you can use it in your writing which will make this better too

I like reading after lunch to unwind before a lesson. I like learning new words and phrases

I enjoy reading because if you enjoy the book you can pretend to be the character, and you then you are in the story
