Key Area 1

To continue to develop curriculum opportunities within the Christian vision and values of the school that enable all children to look beyond themselves and be advocates of change at a local, national and global level

Key Area 3

To continue to refine the processes used by middle leaders to ensure and assure that the curriculum provided and delivered enables all children to develop and retain appropriate knowledge and skills in each subject AKPS SIP Key Areas 2021/22

Key Area 2 To continue to develop a whole school approach to empower children and staff to understand and take responsibility for their mental and physical health and wellbeing
