

Progression of Skills & Curriculum Overview 2022-23

Term and main theme	Autumn 1 - Marvellous Me! Inc (It starts with a seed – whole school topic)	Autumn 2 – Autumn Treasures Festivals of night and light	Spring 1 - Winter Wonderland Once upon a time	Spring 2 – Eggstravaganza!	Summer 1 – Amazing Animals	Summer 2 – I do like to be beside the seaside! Tbc...
Other Possible Themes	Pets Looking after ourselves People Who Help Us Our Local Area Our Families Pets Houses and Homes Last week - Diwali	Autumn Nursery Rhyme Week Christmas Remembrance Day Bonfire Night The Sky at Night Space	Valentine's Day Chinese New Year Arctic Animals Around the World!!! Transport	Pancake Day People who help us Fairtrade Holi Hindu Festival Easter	Life cycles Mini beasts Animals	Holidays Lifeguards Mermaids Looking after the ocean Under the sea Pirates
Shine experiences	Meet our Buddies Welcome Service	Nursery Rhyme Week 16 th Nov Autumn Walk Story time with PJs and Teddies (Nursery rhyme week) <i>Nativity Performance</i> <i>Christmas Jumper/Dinner Day</i> <i>Pantomime</i> Pocket money stalls Introduce Marvellous Me	Ice Experiments Ice Mountain <i>Chinese New Year Banquet</i>	Experiencing Pancakes Holi colour splash Talking to 'real' people who help us Spring Walk Science week <i>World Book Day</i> Hatching our very own eggs	Hatching Eggs Butterflies Farm visit Coronation Visit from EMTAS to talk about Gypsy, Romany traveller history	World Environment Day Mon 5 th Sports Week Pirate and Mermaid Day Theatre visit? Summer walk? AK's got talent
Core texts Linked text Other texts	It starts with a seed... The Seed is Sleepy All are welcome We are together A handful of buttons Elmer series Mr Men celebrate Diwali Peepo Oi Dog Series	Big Book of Colours Percy the Park Keeper Pumpkin soup Each Peach Pear Plum Jolly Postman Nursery Rhymes Room on the Broom Christmas Books How to catch a star Aliens love underpants Bob the man on the moon Whatever next	Jack Frost Stickman Lost and Found If you were a penguin One day on our blue planet - Antartic A Little bit of Winter The 3 Billy goat's gruff The gingerbread man The Elves and the shoemaker The Little red Hen The Magic Porridge pot	Topsy and Tim go to the doctor Topsy and Tim go to the dentist Topsy and Tim start school Non fiction texts linked to people who help us	An Egg is quiet The Ugly Duckling The Odd Egg What the Ladybird heard Farmer Duck Rosie's Walk Farmyard 123 The Giant jam sandwich Yucky worms Snail and the Whale Norman the slug with the silly shell Dear Zoo The Very Hungry Caterpillar A butterfly is patient The Big Book of Bugs The Tiny Seed The Very Hungry Caterpillar	The snail and the whale Commotion in the ocean The pirates next door Julian is a Mermaid The Rainbow Fish Barry the Fish with Fingers Commotion in the ocean Sharing a shell Tiddler Pirate Pete The Pirate next door The Big Book of Blue <i>The Storm Whale</i>
Communication and Language  Communication and Language is developed throughout the year through high quality interactions, daily group discussions, circle times, stories, singing, speech and language interventions, Star Words, Marvellous Me!	Listening, Attention and Understanding Children will be able to understand how to listen carefully and know why it is important. Speaking Children will talk in front of small groups and their teacher offering their own ideas.	Listening, Attention and Understanding Children will begin to understand how and why questions. Speaking Children will use new vocabulary throughout the day.	Listening, Attention and Understanding Children will learn to ask questions to find out more. Children will retell a story and follow a story without pictures or props. Speaking Children will talk in sentences using conjunctions, e.g. and, because.	Listening, Attention and Understanding Children will ask questions to find out more about people who help us during visits from parents Speaking Children will engage in non-fiction books and use new vocabulary in different contexts when finding out about People who help us, hatching eggs, animals during science week.	Listening, Attention and Understanding Children will be able to understand a question such as who, what, where, when, why and how through exploring and observing the natural world. Speaking Children will develop, use and know vocabulary linked to the themes. They will predict and offer explanations as to why things might happen linked to our themes.	Listening, Attention and Understanding Children will be able to have conversations with adults and peers with back-and-forth exchanges. Children will ask questions using who, what, where, when, why and how when finding about different habitats and life under the sea. Speaking Children will develop, use and know vocabulary linked to the themes. Children will use talk in sentences using past and present tenses when learning about pirates. Hot seating characters from key texts. Retell will retell repetitive phrases and poetry.
	Listening, Attention and Understanding: Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Speaking: Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.					

<div>Personal, Social and Emotional Development</div> <div></div> <div>Children develop their personal, social and emotional skills throughout the year through: Spiritual Development, circle times, Class Worship, whole school worship, particularly time to shine, social stories, ELSA support, diversity stories, etc.</div>	<div>Self-Regulation Children will be able to follow one step instructions.</div> <div>Children will recognise different emotions.</div> <div>Children will focus during short whole class activities.</div> <div>Managing Self Children will learn to wash their hands independently.</div> <div>Building Relationships Children will seek support from adults and gain confidence to speak to peers and adults.</div>	<div>Self-Regulation Children will talk about how they are feeling and to consider others feelings.</div> <div>Managing Self Children will understand the need to have rules.</div> <div>Building Relationships Children will begin to develop friendships.</div>	<div>Self-Regulation Children will be able to focus during longer whole class lessons.</div> <div>Managing Self Children will begin to show resilience and perseverance in the face of a challenge.</div> <div>Building Relationships Children will be able to use taught strategies to support in turn taking.</div>	<div>Self-Regulation Children will be able to think about the perspective of others during visits from professionals and when taking care of hatching eggs.</div> <div>Managing Self Children will know and talk about the different factors that support their overall health and well being when leaning about doctors/dentists etc</div> <div>Building Relationships Children will know how to resolve a problem through talking it through with a friend or adult.</div>	<div>Self-Regulation Children will express their feelings and consider the feelings of others through nurturing and taking care of caterpillars and chicks. Children will understand the need for patience when learning about life cycles of chicks and butterflies.</div> <div>Managing Self Children will develop confidence in new situations eg handling chicks/butterflies and going on a trip to the farm.</div> <div>Building Relationships Children will show sensitivities to the needs of animals in their care.</div>	<div>Self-Regulation Children will be able to follow instructions of three steps or more. Through the introduction of our class feelings barometer, children will practise recognising how they are feeling and naming emotions</div> <div>Managing Self Using sun hats, sun cream, use of shade in hot weather Show resilience during sports week – Children will understand the importance of healthy food choices. To solve minor disagreements independently.</div> <div>Building Relationships Children will have the confidence to communicate with adults around the school. Children will develop a relationship with Miss Igoe and Mrs Simpson through transition sessions</div>
	<div>Self-Regulation: Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability.</div> <div>Managing Self: Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.</div> <div>Building Relationships: Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.</div>					
<div>Physical Development</div> <div></div> <div>Children improve their gross and fine motor skills daily by engaging in different fingergym activities and interventions (threading, cutting, weaving, playdough), mark making, construction, drawing, writing, Dough Disco, Wonder wands PE with Mr Tanner – Real PE</div>	<div>Gross Motor Children will learn to move safely in a space.</div> <div>Fine Motor Children will begin to use a tripod grip when using mark making tools.</div>	<div>Gross Motor Children will explore different ways to travel using equipment.</div> <div>Fine Motor Children will accurately draw lines, circles and shapes to draw pictures.</div>	<div>Gross Motor Children will be able to control a ball in different ways.</div> <div>Children will balance on a variety of equipment and climb.</div> <div>Fine Motor Children will use cutlery appropriately.</div>	<div>Gross Motor Children will continue to develop and refine their ball skills during PE with Mr Tanner</div> <div>Fine Motor Children will know how to hold scissors correctly and cut out small shapes through weekly scissor challenges Children will know how to correctly form c,a,d,s,g,o,qu,f,e,l,t,</div>	<div>Gross Motor Children will continue to develop their movement skills in PE with Mr Tanner.</div> <div>Fine Motor Children will know how to correctly form h, b,k,p,I,j,r,n,m,u,y,v,w</div>	<div>Gross Motor Children will develop their athletic skills in PE with Mr Tanner -running, throwing, jumping</div> <div>Fine Motor Children will know how to correctly form remaining letters and continue to practise those which need embedding.</div>
	<div>Gross Motor: Negotiate space and obstacles safely, with consideration for themselves and others. -Demonstrate strength, balance and coordination when playing. -Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.</div> <div>Fine Motor: Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases; - Use a range of small tools, including scissors, paint brushes and cutlery; - Begin to show accuracy and care when drawing.</div>					
<div>Literacy</div> <div></div> <div>Children will be taught daily phonics using unlocking letters and sounds. Opportunities for writing will be provided throughout continuous provision,</div>	<div>Comprehension Children will independently look at a book, hold it the correct way and turn pages.</div> <div>Word Reading Children will segment and blend sounds together to read words.</div> <div>Writing Children will give meanings to the marks they make.</div>	<div>Comprehension Children will engage and enjoy an increasing range of books.</div> <div>Word Reading Children will begin to read captions and sentences.</div> <div>Writing Children will form letters correctly.</div>	<div>Comprehension Children will act out stories using recently introduced vocabulary.</div> <div>Word Reading Children will recognise taught digraphs in words and blend the sounds together.</div> <div>Writing Children will write words representing the sounds with a letter/letters.</div>	<div>Comprehension Children will experience a selection of fiction and non fiction books with opportunities to discuss, predict, anticipate and enjoy those texts whilst developing vocabulary. Children will continue to develop their fluency, prosody and understanding through weekly guided reading.</div> <div>Word Reading See unlocking sounds phase 3 Mastery</div> <div>Writing</div>	<div>Comprehension Children will experience a selection of fiction and non fiction books with opportunities to discuss, predict, anticipate and enjoy those texts whilst developing vocabulary.</div> <div>Children will continue to develop their fluency, prosody and understanding through weekly guided reading.</div> <div>Word Reading See Unlocking Sounds Phase 4.</div>	<div>Comprehension Children will experience a selection of fiction and non fiction books with opportunities to discuss, predict, anticipate and enjoy those texts whilst developing vocabulary.</div> <div>Children will continue to develop their fluency, prosody and understanding through weekly guided reading.</div> <div>Word Reading</div>

Talk for writing principles introduced from Term 3.				Children will write short sentences with known sound-letter correspondences in response to our shine experiences and during phonics sessions.	Writing Children will write sentences with known sound-letter correspondences and use some punctuation, in response to our shine experiences and during phonics session.	Complete Unlocking Sounds Phase 4 then move on to Unlocking Sounds Phase 4 Mastery Writing Children will write sentences with known sound-letter correspondences and use some punctuation, in response to our shine experiences, writing star challenges, core books and during phonics sessions.
	Comprehension: Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate (where appropriate) key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.					
	Word Reading: Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.					
Writing: Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.						
<div>Mathematics</div> <div></div> <div>White Rose Maths Scheme Mastering Number NCETM Numberblocks</div>	Number and Numerical Patterns Matching and Sorting Comparing amounts Comparing Size/Mass/Capacity Exploring Patterns	Number and Numerical Patterns Representing/Comparing/Composition 1,2 3 Exploring Circles, Triangles Using positional language Representing numbers to 5 Understanding one more and one less Exploring shapes with 4 sides Exploring time	Number and Numerical Patterns Introducing zero Comparing numbers to 5 Exploring composition of 4 and 5 Comparing Mass Comparing capacity Exploring 6,7,8 Making pairs Combining 2 groups Exploring Length and Height Exploring Time	Number and Numerical Patterns Children will: Introducing 9 and 10 Comparing numbers to 10 Number bonds to 10 Exploring 3D shape Exploring pattern Time to consolidate learning and focus on specific areas of need.	Number and Numerical Patterns Combining and building numbers beyond 10 Exploring number patterns using numbers beyond 10 Developing special reasoning skills - Matching, rotating and manipulating shape	Number and Numerical Patterns Doubling numbers Sharing and Grouping numbers Exploring odd and even numbers Developing special reasoning skills - Visualising and building shapes/ mapping Deepening an understanding of number patterns and relationships
	Number: Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.					
	Numerical Patterns: Verbally count beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.					
<div>Understanding the World</div> <div></div> <div>Developed through themes/topics and forest school</div>	Past and Present History: Children will know about their own life story and how they have changed. People, Culture and Communities Geography: Children will know about features of the immediate environment and draw information from a basic map The Natural World Science: Children will understand the terms 'same' and 'different'. People, Culture and Communities RE: What makes us Special? (Wonderfully Made) Valuing ourselves and others. Recognise that people have different beliefs and celebrate special times in different ways (Diwali)	Past and Present History: Children will know some similarities and differences between things in the past and now. People, Culture and Communities Geography: Children will know that people around the world have different religions. The Natural World Science: Children will explore and ask questions about the natural world around them whilst exploring seasons. People, Culture and Communities RE: Incarnation Why do Christians perform nativity plays at Christmas?	Past and Present History: Children will talk about the lives of people around them. People, Culture and Communities Geography: Children will know that there are many countries around the world. The Natural World Science: Children will talk about features of the environment they are in and learn about the different changing environments. They will explore changes in sates of matter People, Culture and Communities RE: How do people celebrate?	Past and Present History: Children will know that the past is anything before the current day when recounting past experiences. People, Culture and Communities Geography: Children will know about people who help us within the community. The Natural World Science: Children will know that this time of year is Spring. Children will know the names of some Spring flowers – daffodil, daisy, primrose. Children will know about the life cycle of an egg. People, Culture and Communities RE: Children will recognise that people have different beliefs and celebrate special times in different ways when leaning about Holi Why do Christians put a cross in an Easter garden? Mothering Sunday Global Advocacy Children will learn about fairtrade	Past and Present History: Children will experience a moment in history through learning about and celebrating the King’s Coronation. Children will learn about Gypsy Romany Traveller history. People, Culture and Communities Geography: Children will know about different British habitats and visit a farm. The Natural World Science: Children will make observations about animals and their habitats discussing similarities and differences. They will find out about life cycle of an egg and a butterfly. People, Culture and Communities RE: Children will recognise that people celebrate special times in different ways through learning about Gypsy Romany Traveller history and through celebrating the King’s Coronation. Global Advocacy Children will have an awareness of	Past and Present History: Children will know about the past through settings, characters and events when learning about Pirates People, Culture and Communities Geography: Children will know and identify simple features on a map eg land, sea, coastline, hills. Countries that make up the UK Difference between real and imaginary places eg x for treasure Names of seas. Make own maps The Natural World Science: Children will know some important processes and changes in the natural world. They will continue to explore contrasting environments using and building upon their own experiences. Learn about ocean animals They will learn why fish can breathe underwater and humans can’t therefore understand that mermaids are imaginary. : People, Culture and Communities RE

				through the example of where bananas come from. Computing: Children will know how to program a beebot. Children will use illuminated writing boards to create images and messages. Children will know how to use the IWB to draw pictures and complete games.	the global reach of the British Royal Family. Computing: Children will observe and monitor the egg incubator ensuring temperature and moisture levels are kept constant. Children will use a digital microscope and cameras when investigating minibeasts.	Creation Why is the word ‘God’ so important to Christians? Recognise that Christians believe God made our wonderful world and so we should look after it. Global Advocacy World Earth Day Computing: Learn how to log on to a laptop and use mouse pad.
	Past and Present: Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling.					
	People, Culture and Communities: Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.					
	The Natural World: Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.					
<div>Expressive Arts and Design</div> <div></div>	Being Imaginative Music: Children will sing and perform nursery rhymes. <i>See Charanga Progression of Skills document.</i> Creating with Materials Art & Design: Children will begin to express their ideas using a selection of tools and techniques	Being Imaginative Music: Children will experiment with different instruments and their sounds. <i>See Charanga Progression of Skills document.</i> Creating with Materials Art & Design: Children will experiment mixing with colours and textures.	Being Imaginative Music: Children will create narratives based around stories. <i>See Charanga Progression of Skills document.</i> Creating with Materials Art & Design: Children will safely explore different techniques for joining materials.	Being Imaginative Music: Children will know the nursery rhymes/songs Old Macdonald Incy Wincy Spider Baa Baa Black Sheep Row, Row, Row Your Boat The Wheels On The Bus The Hokey Cokey <i>See Charanga Progression of Skills document</i> Creating with Materials Art & Design: Children will know how to mix primary colours to make green, orange and purple. Children will have opportunities to make observational drawings of Spring flowers for Mother’s day cards. Children will use a range of tools and techniques when engaged in Easter themed crafts.	Being Imaginative Music: Children will learn the song – Big Bear Funk and other nursery and action rhymes. <i>See Charanga Progression of Skills document.</i> Art & Design: Creating with Materials Children will continue to build upon their observational drawing skills by drawing caterpillars and butterflies. Children will create their own representations of life cycles. Children will use a range of tools and techniques to create 3D bugs.	Being Imaginative Music: Children will invent their own narratives, stories and poems. <i>See Charanga Progression of Skills document.</i> Art & Design: Creating with Materials children will create representations off sea creatures using a range of tools and techniques Design and technology Children will explore methods of joining materials Children will explore materials to create boats that float. Children will use a range of tools and techniques to create pirate and mermaid items.
	Creating with Materials: Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. Make use of props and materials when role playing characters in narratives and stories. Being Imaginative: Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.
