PSHE	PANTS rule Our Happy School Building on previous learning and growing maturity children re-establish class ground rules. They also consider how to manage difficult situations.	Out and About This unit begins with a focus on solving problems and anger management. Later, pupils learn about staying safe during the darker nights and investigate bullying issues.	Looking forward In this unit pupils undertake another enterprise activity focused on Fair Trade. The emphasis is on responsibility and teamwork.	My friends and family This unit focuses on relationships. It tackles sensitive issues such as personal hygiene and puberty, recognising that changes we experience are natural and can be embraced positively.	Healthy Bodies, Healthy Mind This unit explores coping with feelings, such as stress and anxiety. Children learn about the effects of smoking, risk and the importance of making healthy choices.	Ready, Steady, Go This unit explores change, where and how to get help, eg when playing outdoors, as well as e-safety and keeping personal information safe.
Wellbeing Framework	Positivity Growth Mindset Resilience	Feelings and Emotions Being calm- MISP and mindfulness Healthy Mind	Leadership Connections Making choices	Rest and Sleep Character	Growth Mindset Self Regulation Patience	Motivation Compassion Independence
