

EYFS Term 6 Summer Newsletter

We hope you all had a lovely half term break and are ready for the final term of your child's reception year. (We agree; how did that happen?!)

Our learning this term will be based on the theme 'Oh I do like to be beside the Seaside', in which we will be finding out about the Ocean habitat and then entering the world of Pirates and Mermaids. Our Learning will all be based upon 4 carefully chosen books: 1, The snail and the whale 2, Commotion in the ocean 3, The pirates next door and 4, Julian is a Mermaid. During Sports week we will learn about how to keep our bodies fit and healthy.

Reading

Please continue to bring your child's reading folder to school every day, and books will continue to be changed every Monday. For those children who are now reading longer books I will only change them when books are completed.

We cannot emphasise enough the impact reading at home has on your child's confidence and enjoyment of reading. Please always record in the reading record each time your child reads. Choose an opportune moment; we recommend little and often.

Dates for your diary

Class R Assembly Tuesday 9th June A chance to celebrate this year's learning, all parents and carers welcome.

Sports Week – 29th June - All children will need to wear PE kit or suitable sportswear from Mon to Fri

Special Class R introduction to Sports morning- Friday 3rd July, 9.00 – 9.30am all parents and carers welcome.

Pirate and Mermaid Day – Monday 13th July (simple dressing up outfit will be needed – cut off old trousers, t shirt and a eye patch /hat will be fine) Please do not worry about buying a special outfit.

Forest School

Tues 23rd June

School Fete – Saturday 27th June Class R will have a stall selling festival accessories they have made. Any parents who can spare an hour on the day to help me man the stall, please do get in touch, - thanks.

Please keep toys at home

We have noticed several toys from home making their way into school. Please ensure all toys stay at home for fear of getting damaged or lost. We know the children love to bring in toys so we will arrange a 'treat day' when the children can bring in a toy before the end of term.

Transition to Class 1

As we approach the end of the school year and prepare for moving up to Class 1, the children will visit the Class 1 team for short sessions this term. This may be a story time, a short fun activity or just to play in the Year 1 classroom. This will ensure that all children are well prepared for the transition in September.

Usual (but important!) Reminders

Please ensure **all** your child's belongings and clothes are clearly named.

- PE sessions continue to be on Tuesdays and Wednesdays.
- As the weather becomes warmer please provide a named sunhat and named sun cream for your child and apply sun cream before school.

**As always, we thank you for your support and look forward to a fun few weeks.
Please speak to any member of the EYFS staff should you need to.**

Mrs Crowley and the EYFS Team
